

What is the ecumenical Way Of The Cross?

Over a number of years Melbourne City Churches in Action (MCCIA) worked on a project to initiate an ecumenical walk through the City of Melbourne on Good Friday, to remember Jesus' walk to the Cross.

The walk is marked by a series of 14 superb bronze sculptures which tell the story of the journey of Jesus from the Last Supper to the Cross.

The 14 stations are placed outside various City Churches. At each station those participating pause for prayer, readings, reflection and song. The first walk was held in 2000. Recent walks have attracted over 3000 people.

The walk commences at St Francis' Church in Lonsdale Street and concludes at St Paul's Cathedral in Flinders Street.

Theme

Darkness is a despair that can surround us. Hope is the Christ light that darkness cannot overpower. The sharing of journeys of hope, by speakers and participants alike, will enliven our faith in God and humanity.

Cost

In order to make this as accessible as possible, all costs have been kept to a minimum.

Participants are asked to make a \$10 donation.

Meals will be simple, and dietary needs will be catered for.

2010 Young Adult Easter is brought to you by the Marist, Mercy and Jesuit orders.
