Dear Marist Colleagues

LIVING CHAMPAGNAT'S VISION Sixteen participants from across the Province took part in the 2009 Living Champagnat's Vision Program in Alice Springs from 6th to 8th September 2009. The program was based at Campfire in the Heart, a Retreat Centre located on the east side of Alice Springs. On the Monday, participants travelled to Santa Teresa where they were welcomed to the country, took part in a smoking ceremony and met with the Principal, Mr Greg Crowe, Imelda Palmer his Deputy and other members of Staff. Pictured below are the participants.

While at the Ltyentye Apurte School, the LCV participants were told of some of the school's needs by the Principal, Mr Greg Crowe. In particular, he asked schools who may be upgrading their computers to consider donating their older computers to his school. He also asked if people knew of a teacher who may be able to assist the school in Term 4 this year with the Year 9 Girls' Program.

If you are able to help with the computers, or you know of a teacher who may be able to help with the Year 9 Girls' Program, please contact Greg on 08 8956 0937 or greg.crowe@nts.schools.net
