Dear Marist Colleagues

## MARIST SCHOOLS AUSTRALIA (MSA) REGIONAL DIRECTOR MELBOURNE

We congratulate Mr Paul Herrick on his appointment as Regional Director Melbourne of MSA from the commencement of 2011. Paul is well known to many, particularly through been Principal of Marcellin College, Bulleen, Newman College, Perth and Marymede Catholic College, South Morang. Paul is currently Regional Administrator for the Southern Region of Edmund Rice Education Australia. As well as his wide educational leadership experience and commitment to his faith, Paul will bring with him a great passion for the charism of St Marcellin Champagnat. We extend a warm welcome to Paul, his wife Michele and their family.

ASSUMPTION COLLEGE, KILMORE The College looked its best when the members of the Champagnat Education Council met there on 25<sup>th</sup> and 26<sup>th</sup> October for its fourth meeting for 2010. Council members welcomed the hospitality of Principal, Mr Michael Kenny, as we walked around the College witnessing the effective teaching and learning which was taking place. *Pictured below are from left: Mrs Marie Dorrington, Br John Hilet, Mr Mark Murphy, Mr Peter Houlahan, Dr Dick Cotter, Mrs Jocelyn Hansen, Br Greg McCrystal, Mr Michael Kenny, Br Paul Kane, Mr Paul Herrick, Br Michael Green, Mr Tom Smyth and Br John McMahon.*

PILGRIMAGE 2012 Recently I was privileged to travel to Rwanda and Kenya in preparation for our April 2012 International Champagnat Pilgrimage. There I found Marists at work helping all

levels of society, particularly through education, including one school in Rwanda for former young soldiers.

Pictured here are, from left, Br Theoneste Kalisa (*Master of Novices*), Sr Consolata (*Franciscan Sister whose Sisters will host us on the Rwandan leg of our Pilgrimage*) and Br Stanislaus (*Principal of the nearby Marist school*).
