**MISSION AND LIFE FORMATION TEAM**

Provincial Br Julian Casey (*pictured right*) writes: 'Being in Papua New Guinea last week meant that I was not present to participate in the joint announcement about the establishment of the Mission and Life Formation Team. I can confirm that the establishment of the team has been the subject of discussion and agreement

between the Provinces and that the leadership will thankfully be under Mr Tony Clarke, the previous Director of the Sydney Province Spiritual Formation Team. However the details of the organization of this team are still being discussed and developed and the Melbourne Province appointments to this team will await the finalization of agreement about role descriptions. I also need to clarify that this Mission and Formation Team will be at the service of all ministries and I can assure you that the various programmes associated with the Melbourne Province's "Sharing Champagnat's Vision" will continue to be offered. I regret that the announcement was made without acknowledging the contribution of those many people who help with these programmes, that we value their contribution and will continue to call upon them to assist us in their delivery.'

**PRAYERS** We ask your prayers for the repose of the soul of Mrs Patricia Green, mother of Br Michael Green. Patricia is being buried today. We offer our sympathies to Michael and the family. Michael's email address is [michael.green@msa.edu.au](mailto:michael.green@msa.edu.au)

With best wishes

Br John McMahon
